SUMMER EDUCATION CAMPS

SUMMER 2020

GIVE YOUR CHILD THEIR BEST SUMMER EVER
Offering summer camps for kids and teens from grades 2–12 at Temple University’s Ambler and Main Campuses.

NONCREDIT.Temple.EDU/SUMMERCAMPS
Temple University has been offering summer camps for more than 30 years at our convenient Ambler campus. We have since extended our camp offerings to be held on Temple University's vibrant Main Campus as well! Camps are available to kids and teens entering grades 2–12 and take place during the months of June, July, and August. Most camps are one-week, full-day camps from 9 a.m. to 4 p.m. However, extended care is available for an additional cost, allowing parents to drop off their children as early as 8 a.m. and pick them up as late at 5:45 p.m.

Camp sessions will be offered at:

**Temple University Ambler**
580 Meetinghouse Road
Ambler, PA 19002
Pages 1–8

**Temple University Main Campus**
1801 N. Broad Street
Philadelphia, PA 19121
Pages 9–10

To register, visit [noncredit.temple.edu/summercamps](http://noncredit.temple.edu/summercamps). We also accept registrations via phone call or by mail, using the form at the back of this brochure. Online registration is recommended.

For more information about Temple University’s Summer Education Camps, please call the Office of Non-Credit and Continuing Education at 267-468-8500 or email us at ncce@temple.edu.
Summer camps at Temple University Ambler will take place at 580 Meetinghouse Road in Ambler, PA. Camps run Monday–Friday from 9 a.m. to 4 p.m. Aftercare is available starting at 8 a.m. and ending at 5:45 p.m. at an additional cost. Shuttle service will be provided between the Ambler campus and Main campus for an additional fee. To register, visit noncredit.temple.edu/summercamps or call 267-468-8500.

### Camps for Grades 2–4

**Keep Calm and Get Crafting**
Create your own art pieces and incredible crafts to decorate your room. Create various jewelry, hair accessories, bags, purses, and more using magazines, metal, buttons, and fabric. Also, decorate your room with coasters, picture frames, and other artwork that can be displayed using recycled goods.

**$325 | June 22–26**

**Bug-U**
Get up close and personal with some of the world’s most exotic creatures with this unique camp in partnership with the Philadelphia Insectarium and Butterfly Pavilion. Release and feed tropical butterflies, build tarantula homes, play eco-games, and more!

**$345 | June 22–26**

**Code Breakers & Python Programmers**
Learn the basics of coding languages like HTML, JavaScript, and CSS through web projects and design challenges. Discover how to use the world’s fastest-growing language, Python, used by Google, NASA, YouTube, and the CIA! Campers will work in pairs or teams for most of the program.

**$345 | June 22–26**

**App Attack & App. IO**
Take the first step into the world of mobile app design and customize your own game app. Then, learn how to design your own multiplayer experience that can be played on any mobile device or computer. Campers will work in pairs or teams for most of the program.

**$345 | July 20–24**

**Drawing Dynamics**
Unleash your imagination through art! Find inspiration from the world around you to put on paper. The fundamentals of shape, design, and composition will be covered through the use of pencils, pastels, and charcoal. Take the fundamentals and warp them to match your very own imagination and personality.

**$345 | July 20–24**

**Bookmaking & Publishing**
Discover the principles of what makes a great story and how to put your stories together. Learn how to use dialogue and publish your book at the end of camp.

**$325 | July 6–10**

**Diary of a Wimpy Kid Book Series**
Share your enjoyment of the *Diary of a Wimpy Kid* series with other campers in a fun and engaging setting as we explore trivia, reading, art, cartooning, creative writing, and board game making. Learn more about this popular book series, share your favorite moments, and enjoy non-stop activities all week long!

**$325 | July 13–17**

**Roblox Coders, Entrepreneurs, & Makers**
Discover how to code in the Lua language while playing and designing worlds in Roblox, an online universe where you can create anything you can dream of! Unlock the power of Roblox Studio, and learn how to build 3D models and create an adventure in your Roblox world. Campers will work in pairs or teams for most of the program.

**$345 | July 20–24**

**Create Your Own Comics and Cartoons**
Learn how to create your very own comics and cartoons! Invent characters and develop a storyline, and learn different drawing techniques so you can illustrate your comic or cartoon. Focus on facial expressions, drawing unique characters, writing letters in bubbles, and more.

**$345 | July 13–17**

**Exploring the Wizarding World**
Explore the Wizarding World beyond your wildest imagination! Make wizarding crafts and go on treasure hunts. Participate in fun and challenging book discussions, trivia, games, and more. Then, step outside to learn a wizarding sport that will send you soaring with joy. Overviews will be given, allowing witches and wizards of every level of fandom to participate.

**$345 | July 6–10**

**Register Online at NonCredit.Temple.Edu/SummerCamps**
SCIENCE DISCOVERERS
Make a square bubble, bounce an egg, make a super-ball out of glue, and more! Create a film canister rocket that can fly two stories high, and create an egg capsule to protect it as it is dropped off the second floor balcony. Design a roller coaster for a marble. Come discover the fun and amazing world of science!
$345 | July 27–31

WHAT’S THE PROBLEM?
Learn to solve various problems using your creativity. Working in teams, you will be given a task and specific items, but limited time to complete the task. Learn how to communicate with each other by sharing ideas on the creation of a finished project.
$345 | August 3–7

AWESOME ARTISTS
Explore the wonderful world of art through use of an array of media. Create, design, and learn in an artful way. Activities may include drawing, painting, sculpting, and collage.
$345 | August 3–7

BATTLE ROYALE AND VIRTUAL REALITY
Fans of Fortnite—learn to design your own battle royale game! Build levels and assets inspired by the popular battle royale game. Then, learn the foundations of VR design by creating your own virtual worlds, exploring simulated environments, and crafting memorable 3D experiences.
$345 | August 3–7

GET READY FOR THE GREAT AMERICAN CAMPOUT AT TEMPLE AMBLER!

Temple Ambler EarthFest and Ambler Arboretum Present:

The Great American Campout 2020
2PM Saturday, July 18 to 10AM Sunday, July 19
Ambler Arboretum of Temple University

Temple University Ambler is excited to host a campout for new and experienced campers. Spend the night tent camping, go on nature walks, and enjoy s’mores by the campfire.

To register, visit: events.temple.edu

Campers will work in teams for most of the program.

ESPORTS AND ROCKET KART RACERS
Learn how to develop game-play skills and compete with games and apps, learn how to produce commentary for tournaments, use professional streaming software, and of course, practice online safety. Then, blast off in making a 3D Mario Kart® and Crash Team Racing® style game. Design your own tracks and customize your karts and characters. Campers will work in teams for most of the program.
$345 | August 10–14

CREATIVE WRITING
Express your own thoughts in short stories, poetry, personal essays, and other genres in our fun, supportive atmosphere, designed to bring out your style. Learn from each other’s work and receive feedback from the instructor.
$325 | August 10–14

EXPLORING THE WORLD OF 3D GAMES
Create an immersive 3D world! Then, take your game design to the next level with Unity, where aspiring game designers will learn level editing, 3D modeling, impactful game creation, and much more! Campers will work in pairs or teams for most of the program.
$345 | July 6–10

CREATIVE WRITING
Express your own thoughts in short stories, poetry, personal essays, and other genres in our fun, supportive atmosphere, designed to bring out your style. Learn from each other’s work and receive feedback from the instructor. Bring your ideas, energy, and creativity!
$325 | July 13–17

EXPLORING BEYOND THE WIZARDING WORLD
Explore the Wizarding World beyond your wildest imagination! This camp will focus on potions and fare related to your favorite wizards. Participate in fun and challenging book discussions, trivia, games, and more. Then, step outside the classroom to learn a wizarding sport that will send you soaring with joy. Overviews will be given, allowing witches and wizards of every level of fandom to participate.
$345 | July 13–17

MUSIC VIDEO CAMP
Immerse yourself in music interpretation, create story lines, and develop movements or dance routines to your favorite music videos. Take turns in front of or behind the camera. Enjoy a fun-packed week while learning skills in team building, management, and artistic creation.
$345 + $20 material fee | July 13–17

HEROES BEHIND THE BADGE
This camp provides the opportunity to establish positive relationships with law enforcement and public safety personnel like police officers, park rangers, and EMTs. Meet them, hear their stories, then learn and practice the basic skills of a first responder! Activities include physical fitness, raising the colors, and team-building exercises. Learn basics of fire safety, crime scene processing and evidence collection, resource protection, personal safety, and more!
$50 | July 20–24 | 5th–8th grade

EXPLORING LATIN
Salve! Explore Latin, mythology, Roman culture, pop culture such as Hunger Games and Harry Potter, and history. Discover the basics of Latin through the language of the ancient Romans! Focus on Latin vocabulary, gods/goddesses, Olympic games, Roman clothing, gladiators, mosaics and art, and more!
$325 | July 27–31

ESPORTS AND ROCKET KART RACERS
Learn how to develop game-play skills and compete with games and apps, produce commentary for tournaments, use professional streaming software, and practice online safety. Then, make a 3D Mario Kart® and Crash Team Racing® style game. Design your own tracks and customize your karts and characters. Campers will work in teams for most of the program.
$345 | July 13–17

SEAPERCH ROBOTS
SeaPerch is an innovative underwater robotics program. Build an underwater remotely operated vehicle (ROV) while learning about robotics, engineering, science, and math. Teams will test their robots, competing in challenges in the campus pool (campers will not be in the pool; no swimming required). Prizes will be awarded based on design, planning, and skills.
$595 + $20 material fee | July 20–31 (2 weeks)

BATTLE ROYALE AND ROCKET KART RACERS
Fans of Fortnite—learn to design your own battle royale game! Build levels and assets inspired by the popular battle royale game. Then, blast off in making a 3D Mario Kart® and Crash Team Racing® style game. Design your own tracks and customize your karts and characters. Campers will work in teams for most of the program.
$345 | July 27–31

TAKE THE STAGE
Putting on a play is more than just costumes, applause, and stage bows. Learn what an audition is like, and put on a mock audition. Play games that develop confidence and build improv skills. Campers will perform for parents at the end of the week. No experience necessary.
$325 | July 20–24

Families of campers and participants are invited to attend Take the Stage. The show will take place in the school auditorium.

Register by Phone: 267-468-8500
SEAPERCH ROBOTS II
Continue exploring various
technologies for the
construction and competition
of your SeaPerch robot. Build
an underwater remotely
operated vehicle (ROV) while
learning about robotics,
engineering, science,
and math. Teams will test
their robots, competing in
challenges in the campus pool
(campers will not be in the
pool, no swimming required).
$595 + $20 material fee |
August 3–14 (2 weeks)

SPHERO ROBOTS
Sphero robots can be driven
around like remote control
cars on grass and roads, in the
pool, and on other surfaces,
and can even perform tricks
like a skateboard! The Sphero
is also a game, where you can
play tag, golf, and fight virtual
zombies on your mobile device.
Campers must have their own
mobile device (smartphone/
tablet) that can access either
the Apple or Android app
stores.
$475 | August 3–7

ESCAPE THE CAMP AND
WILDERNESS SKILLS
Join us for a week of mind-
bending challenges and
plot-twists set outdoors.
Solve escape mysteries, then
be trained in code-breaking,
observation, and immersive
story creation as you build
your own escape experience.
Then, discover what it takes
to be an outdoor survivor. Use
ancient skills and modern tools
to build shelters, learn outdoor
navigation and signaling,
learn how to pack for family
adventures, and practice
the secrets of invisibility and
stealth.
$375 | August 3–7

LEGO MINDSTORMS
ROBOTICS NXT: ROBOT
BATTLES
Enjoy some intense head-to-
head competitions, but don’t
worry about destroying your
robot like typical “battle bots.”
The competitions will include
exciting battles like Sumo
Robots and Robot Jousting.
Learn more advanced building
and programming, as well as
how to coordinate with other
teams.
$345 | August 10–14

HISTORY THROUGH BOARD
GAMING
Learn about a series of
strategy games recreating
decisive battles fought in our
world history, like Stratego,
Risk, Confusion, and Battle
Cry. Use your wit and skills
to conquer enemies and
occupy territory. Each day will
feature a different battle from
critical moments in history.
Then, recreate or modify the
strategies you’ve learned on
“fields of battle.” These games
are suitable for beginners who
are also interested in history.
$345 | August 10–14

VIRTUAL REALITY &
YOUTUBE CONTENT
CREATORS
Learn the foundations of VR
design by creating your own
virtual worlds, exploring
simulated environments,
and crafting memorable 3D
experiences. Then, explore
the variety of content and
personalities that exist on
YouTube and how to find your
own niche. Learn the do’s and
don’ts of the platform and
how to practice good digital
citizenship. Campers will
work in teams for most of the
program.
$345 | August 10–14
GAMEMAKER CAMP
Learn how to make video games. Gamemaker allows you to begin creating games almost instantly by using a simple drag and drop interface. Create multilevel arcade games in Gamemaker through a systematic process. Bring a flash drive to camp. Suitable for girls and boys who have critical thinking skills and enjoy working on a computer.
$345 | July 6–10

SPEAKING WITH CONFIDENCE: PUBLIC SPEAKING FOR TEENS
Do you get nervous when asked to speak or give a presentation in front of your class or an audience? Join us in a fun and relaxed atmosphere as you learn to develop your public speaking skills. Build your confidence and alleviate anxiety when speaking before people. Students will participate in viewing and evaluating speeches as well as in writing various styles of speeches. We'll also examine qualities of great public speakers.
$325 | July 6–10

WEBMASTERS: HTML & DREAMWEAVER
Learn how to design and build multimedia rich web pages. Campers should bring headphones and a flash drive. Basic computer experience is required.
$345 | July 13–17

FILM DESIGN & EDITING
Learn how to make and edit movies for YouTube while learning the professional software Adobe Premiere. Be involved in activities such as storyboarding, gathering information for productions, videotaping, and editing the final product. Basic computer knowledge and creativity is required. Campers will work in groups.
$345 | July 13–17

BUDDING BUSINESS LEADERS
Acquire valuable skills by solving actual business problems. Learn real-world business skills such as team building, leadership development, financial management, verbal communication, and business etiquette. Campers will work in teams and will be mentored by the camp instructor. On the last day, campers will present and defend their solutions.
$345 | July 20–24

WEB MULTIMEDIA DEVELOPMENT
Take your web design skills to the next level! Learn the basics of preparing graphics, audio, and video for the web. Emphasis will be on proper formatting and quality. Campers should bring headphones and a flash drive to camp.
$345 | July 20–24

EXPLORING LATIN
Salve! Explore Latin, mythology, Roman culture, pop culture such as Hunger Games and Harry Potter, and history. Discover the basics of Latin through the language of the ancient Romans! Focus on Latin vocabulary, gods/goddesses, Olympic games, Roman clothing, gladiators, mosaics and art, and more!
$325 | July 20–24
INTRO TO PHOTOSHOP
Artists, photographers, and designers rely on Adobe Photoshop for top-notch image creation and editing. Discover the most effective ways to use Photoshop.
$345 | July 27‒31

SINGING AND MUSIC CAMP
Do you dream of what it’s like to be behind the microphone, performing like your favorite singer? Develop your skills in song-writing, music recording, voice-overs, and audio equipment operation. Work interchangeably as talent and crew. Campers will receive one professionally edited CD that contains all of their camp recordings.
$345 | July 27‒31

CAREER EXPLORATIONS IN HORTICULTURE (GRADES 7–9)
Through hands-on activities, discover the wide variety of opportunities that are available in the horticulture and green industries, including landscape architect/designer, greenhouse manager/grower, florist, aquaponics/hydroponics, horticulturist, botanical illustrator, and much more! Daily activities will utilize the Ambler Arboretum, greenhouse, and outdoor gardens and trails.
$345 | July 27‒31

DEBATE FOR TEENS: THE ART OF ARGUING
Discover how to better verbally express your thoughts, leverage facts, and persuade others. This camp will explore arguing in a civilized way. Students will learn how to research and create a well-thought-out argument. Debate topics will be picked on a wide scale, and the debate process will be taught and executed within the camp.
$325 | August 3‒7

PODCASTING 101
Learn how to produce your own podcast by delving into interviewing techniques, story development, and effective storytelling. Discover the basics of recording techniques, including how to setup and record your podcast.
$345 + $20 material fee | August 3‒7

PASSION FOR PAINTING
Take a creative journey and develop your painting skills. Learn step-by-step how to break down shapes to create a larger image, brushing techniques, application of paint, and basic color theory.
$345 | August 10‒14
camps for grades 9–12

FSI: FORENSIC SCIENCE GOES TO COURT
A burning car, multiple missing persons, dry bank accounts and suspects galore—this murder mystery is not for the faint of heart. Participate in laboratory techniques used in the forensic industry, and examine a mock crime scene. Accumulate evidence through drug analysis, blood spatter examination, fire debris composition testing, and other practices. Campers conclude the first week of their investigation by acting as the grand jury by establishing probable cause and screening criminal indictments. In week 2, campers continue to strengthen their case and finish with criminal sentencing in a mock trial.

$645 + $30 material fee | July 6–17 (2 weeks)

CREATIVE WRITING FOR TEENS
Express your own thoughts in short stories, poetry, personal essays, and other genres in our fun, supportive atmosphere, designed to bring out your style. Learn from each other’s work and receive feedback from the instructor. Bring your ideas, energy and creativity!

$325 | July 20–24

SCREENWRITING & MOVIEMAKING
Join us for a 2-week camp and discover how to put together a screenplay, from the basics of structuring your story to finalizing your masterpiece. Learn about character development, how to create storyboards, and more. In the second week, campers will work in teams to film some of the scripts, edit the footage, and take home a digital copy of the film!

$575 + $20 material fee | July 27–August 7 (2 weeks)

SPEAKING WITH CONFIDENCE: PUBLIC SPEAKING FOR TEENS
Do you get nervous when asked to speak or give a presentation in front of your class or an audience? Join us in a fun and relaxed atmosphere as you learn to develop your public speaking skills. Build your confidence and alleviate anxiety when speaking before people. Students will participate in viewing and evaluating speeches as well as in writing various styles of speeches. We’ll also examine qualities of great public speakers.

$325 | August 10–14
Main Campus camps

Summer camps at Temple University’s Main Campus will take place at 1801 N. Broad St., Philadelphia PA. Camps run Monday–Friday from 9 a.m. to 4 p.m. Aftercare is available starting at 8 a.m. and ending at 5:45 p.m. at an additional cost. Shuttle service will be provided between the Ambler campus and Main campus for an additional fee. To register, visit noncredit.temple.edu/summercamps or call 267-468-8500.

ROBLOX CODERS, ENTREPRENEURS, & MAKERS
Discover how to code in the Lua language while playing and designing worlds in Roblox, an online universe where you can create anything you can dream of! Unlock the power of Roblox Studio, and learn how to build 3D models and create an adventure in your Roblox world. Campers will work in pairs or teams for most of the program.

$345 | July 20‒24

DRAWING FOR THE YOUNG ARTIST
Develop your creativity in this camp designed to promote your artistic ability. Learn techniques of shading and perspective as you explore a variety of subject matter including object studies, still-lifes, portraits, and landscapes in a variety of media.

$345 | July 27‒31

EXPLORING THE WORLD OF 3D GAMES
Create an immersive 3D world! Then, take your game design to the next level with Unity, where aspiring game designers will learn level editing, 3D modeling, impactful game creation, and much more! Campers will work in pairs or teams for most of the program.

$345 | July 6‒10

PODCASTING 101
Learn how to produce your own podcast by delving into interviewing techniques, story development, and effective storytelling. Discover the basics of recording techniques, including how to setup and record your podcast.

$345 + $20 material fee | July 6‒10
TYLER SCHOOL OF ART AND ARCHITECTURE
PRE-COLLEGE SUMMER PROGRAMS

Tyler Pre-College Summer Programs offer creatively driven high school students entering grades 9–12 the challenging and meaningful experience of learning with other young artists at one of the nation’s top schools for the study of art, design, and architecture.

Students of all levels will find classes that allow them to explore new media and artistic interests, develop technical skills, discover creative career paths, and create work suitable for a college admissions portfolio. On-campus housing is available for all of our programs and introduces students to Temple’s metropolitan campus and Philadelphia’s many cultural highlights. Join your creative peers at Tyler this summer for the college experience and leave with lifelong friendships!

For more information, contact us at tylerpce@temple.edu or 215-777-9010

Portfolio Boot Camp

TEMPLE UNIVERSITY
2020 PRE-COLLEGE PROGRAMS

Explore some of the fields of study available at Temple University while still in high school. If you’re a student entering grades 10–12, you can experience our vibrant urban campus, make new friends, and get a head start on your college experience.

Pre-College Workshops (2 weeks)
Choose workshops that focus on different areas of study at Temple. Topics include: STEM, business, advertising, leadership, law, public health, and more.

Summer Academy (4 weeks)
Choose one college course and two workshops in topics that interest you. Pass your course with a B or better and earn a $4,000 tuition grant ($1,000/year over 4 years).

To learn more about what workshops are available and to apply to our programs, visit: summer.temple.edu/precollge.

REGISTER ONLINE AT NONCREDIT.TEMPLE.EDU/SUMMERCAMPS
2020 registration, refund, and withdrawal policies

The following policies apply to most, but not all, summer camps at Temple University.

Payment and Registration
Payment, in full, is due upon registration. Payment includes the camp fee as well as any materials fee or computer lab fee. Register and pay by credit card at noncredit.temple.edu/summercamps. Or, call the Office of Non-Credit and Continuing Education at 267-468-8500.

You may mail your paper registration form with a check or money order, made payable to Temple University. We regret that we cannot accept credit card payments by mail. Cash is also not an acceptable form of payment.

Refunds and Withdrawals
You must request a withdrawal at least 3 weeks before the start date of the camp session that your child is enrolled in. If your withdrawal request is received at least 3 weeks before the camp session start date, you will receive a refund minus a $50.00 withdrawal fee. Withdrawal requests received less than 3 weeks before the camp session start date will not be entitled to any refund. This is regardless of when you registered for the camp. All withdrawals must be received in writing and can be sent by email to course.withdrawals@temple.edu or by fax at 267-468-8506.
Registration Information • Summer Camps 2020

Parents and Guardians: When registering your child(ren) for camp, you must create an account for your child. Remember, when you are registering someone other than yourself, you will be acting as that person during the registration process and inputting their information, not your own. If you have any questions, call our office at 267-468-8500.

Summer Camps 2020 Waiver and Release

Please respond to the following questions:

General Liability Waiver: I hereby waive and release Temple University and their respective employees and agents from any and all manner of actions, claims, and demands, especially all claims arising out of any incidents involving personal injury to my child in any way by reason of participation in the program. I know of no mental or physical problems, which may affect my child's ability to participate in this program. I will be responsible for any medical or other charges in connection with his or her attendance at this program.

❐ I understand and agree.

Photo Release: I am aware that, periodically, photographs or videos may be taken of the registered students and/or their artwork and/or projects. I permit the staff of Temple University to use, in whole or in part, photographs, videos, written extractions, and voice recordings of the enrolled student for the purpose of promoting Temple University and its programs in publications, websites, and all other forms of media without further approval or compensation.

❐ I understand and agree.
❐ I DO NOT agree.

Medical Release: I hereby authorize Temple University to act for me according to their best judgement in accordance with the above policies and/or in an emergency requiring medical attention.

❐ I understand and agree.
