

# Tornado Recovery Plant Donations Wish List

Below are listed the plants we are currently looking to add to our collection. We have selected these plants based on current plans and priorities, in coordination with our plant collections policy. Please contact Kathy Salisbury at [arboretum@temple.edu](mailto:arboretum@temple.edu) to coordinate donations and next steps or to inquire about donating other plant types.

## SHRUBS

|   |  |
|---|--|
| <del><i>Aronia arbutifolia</i></del> <i>Donated –Thank you!</i>   | <i>Kalmia latifolia</i> species and cultivars                |
| <i>Aronia melanocarpa</i>   | <del><i>Kerria japonica</i></del> <i>Donated –Thank you!</i> |
| <del><i>Aucuba japonica</i></del> <i>Donated –Thank you!</i>      | <i>Osmanthus americana</i>                                   |
| <i>Calycanthus sinensis</i>                                       | <i>Prunus maritima</i>                                       |
| <i>Caryopteris x clandonensis</i>                                 | <i>Rhododendron arborescens</i>                              |
| <i>Ceanothus americanus</i>                                       | <i>Rhododendron atlanticum</i>                               |
| <i>Cercis chinensis</i>   | <i>Rhododendron calendulaceum</i>                            |
| <del><i>Clethra barbinervis</i></del> <i>Donated –Thank you!</i>  | <i>Rhododendron canescens</i>                                |
| <i>Comptonia peregrina</i>  | <i>Rhododendron flammeum</i>                                 |
| <i>Cornus amomum</i>  | <i>Rhododendron periclymenoides</i>                          |
| <del><i>Corylus americana</i></del> <i>Donated –Thank you!</i>    | <i>Rhododendron prinophyllum</i>                             |
| <i>Diervilla lonicera</i>   | <i>Rhododendron vaseyi</i>                                   |
| <i>Dystillium buxifolium</i>                                      | <i>Rhododendron viscosum</i>                                 |
| <i>Edgeworthia chrysantha</i>                                     | <i>Spirea alba</i>   |
| <i>Forsythia x intermedia</i>                                     | <i>Spirea tomentosa</i>                                      |
| <i>Hydrangea serrata</i>  | <i>Viburnum nudum</i>  |
| <i>Hydrangea arborescens</i>                                      | <i>Viburnum rhytidophyllum</i>                               |
| <i>Hypericum densiflorum</i>                                      | <i>Viburnum acerifolium</i>                                  |
| <del><i>Hypericum prolificum</i></del> <i>Donated –Thank you!</i> | <i>Viburnum allegheniensis</i>                               |
| <i>Ilex vomitoria</i>   | <i>Viburnum lantanoides</i>                                  |
| <i>Illicium parviflorum</i>                                       | <i>Vitex agnus-castus</i>                                    |

## TREES

*Abies balsamea*  
*Abies bornmuelleriana*  
*Abies concolor*  
*Abies firma*  
*Abies holophylla*  
*Abies nordmanniana*  
*Abies pindrow*  
*Abies recurvata*  
*Acer spicatum*  
*Acer carpinifolium*  
*Acer leucoderme*  
*Acer pensylvanicum*  
*Aesculus hippocastanum* 'Baumanii'  
*Aesculus flava*  
~~*Aesculus pavia*~~ *Donated –Thank you!*  
*Asimina obovata*  
*Betula lutea*  
*Betula papyrifera*  
*Betula populifolia*  
*Camellia sasanqua*  
*Camellia japonica*  
*Carya ovata*  
~~*Carya cordiformis*~~ *Donated –Thank you!*  
~~*Carya illinoensis*~~ *Donated –Thank you!*  
*Castanea* species, hybrids, cultivars  
*Cercidiphyllum japonicum*  
*Chionothus retusus*  
~~*Cladrastis kentuckea*~~ *Donated –Thank you!*  
*Cornus florida* species and cultivars  
~~*Corylus colurna*~~ *Donated –Thank you!*  
*Cotinus obovatus*  
*Crataegus opaca*  
*Crataegus phaenopyrum*  
~~*Davidia involucrata*~~ *Donated –Thank you!*  
*Diospyros virginiana* (known wild source)  
*Disanthus cercidipholius*  
~~*Fagus sylvatica*~~ *Donated –Thank you!*  
*Fagus sylvatica* cultivars  
~~*Fagus grandifolia*~~ *Donated –Thank you!*  
*Fraxinus ornus*  
*Gordonia lasianthus*  
*Larix decidua*  
*Larix laricina*  
~~*Magnolia grandiflora*~~  
*Donated –Thank you!*  
*Magnolia virginiana* var. *australis*  
*Malus* sp. (ornamental cultivars)  
*Pinus bungeana*  
*Pinus cembra*  
*Pinus nigra*  
*Pinus palustris*  
*Pinus peuce*  
*Pinus rigida*  
*Pinus thunbergii*  
*Pinus virginiana*  
*Pinus wallichiana*  
~~*Pinus mugo*~~ *Donated –Thank you!*  
*Platanus occidentalis*  
(nursery grown and wild collected)

*Platanus x acerifolia*  
*Pseudolarix amabilis*  
*Pseudotsuga menziessii*  
~~*Quercus bicolor*~~ *Donated –Thank you!*  
*Quercus falcata*  
*Quercus laurifolia*  
*Quercus nigra*  
*Quercus pagoda*  
*Quercus virginiana*  
*Quercus acerifolia*  
*Quercus arkansana*  
*Quercus austrina*  
*Quercus boyntonii*  
*Quercus chapmanii*  
*Quercus ellipsioides*  
*Quercus illicifolia*  
~~*Quercus imbricaria*~~ *Donated –Thank you!*  
*Quercus incana*  
*Quercus laevis*

*Quercus lyrata*  
*Quercus margaretta*  
*Quercus marilandica*  
*Quercus michauxii*  
*Quercus muhlenbergii*  
*Quercus sinuata*  
*Quercus velutina*  
*Qurecus stellata*  
*Robinia pseudoacacia*  
*Sassafras albidum*  
*Sorbus alnifolia*  
*Styrax americanus*  
*Taxodium ascendens*  
~~*Taxodium distichum*~~ *Donated –Thank you!*  
~~*Ulmus americana*~~ *species and cultivars*  
*Donated –Thank you!*  
*X Gordlinia grandiflora*  
*Yucca rostrata*

## VINES

~~*Aristolochia macrophylla*~~  
*Donated –Thank you!*  
*Aristolochia tomentosa*  
*Campsis radicans*  
*Clematis virginiana*  
*Clematis crispa*  
*Clematis glaucophylla*  
*Clematis texensis*

*Clematis viorna*  
~~*Gelsemium sempervirens*~~  
*Donated –Thank you!*  
*Hydrangea barbara*  
*Lonicera sempervirens*  
*Passiflora incarnata*  
*Passiflora lutea*  
*Schyzophragma hydrangeoides*
