EarthFest Presents: Ambler Arboretum BioBlitz 2019
Friday, May 17, 7 a.m. to Midnight

What will you discover? Visit campus at any time during 15 hours of discovery in the Ambler Arboretum’s woodlands and meadows and help us find out what is living in your own backyard! Join experts in helping to increase the biodiversity on campus. Participants will learn how to identify plants, animals, fungi and more while noting what they find. These finds are added to an ever-accumulating account of the diversity in the Ambler Arboretum. BioBlitz will include a variety of tours highlighting mammals, reptiles, insects, plants, fireflies, moths, fungi, birds and more!

Ambler Arboretum Speaker Series

Designed to engage all levels of interest and knowledge, the Ambler Arboretum Speaker Series invites regional experts to discuss topics that will inspire participants while challenging their way of thinking about horticulture. Program registration begins at 6:30 p.m.; presentation begins at 7 p.m. (unless otherwise noted); Q&A follows at 8 p.m.

Author Meet & Greet: Victoria Johnson, American Eden: David Hosack, Botany, and Medicine in the Garden of the Early Republic – Wednesday, January 30, 6 to 8 p.m.

Build Your Own Terrarium — Make and Take — Wednesday, February 27

2nd Annual Celebration of Women in Horticulture: Dr. Chantel White — Plants with a Past: Botanical Archeology — Wednesday, March 27
Dr. Chantel White, archaeobotanist at the Penn Museum of Archaeology & Anthropology, will discuss how plant remains are preserved in garden contexts. She will share her recent archaeobotanical work in the nineteenth-century gardens of American poet Emily Dickinson located in Amherst, MA.
