

COMMUNITY EVENTS AT TEMPLE AMBLER WINTER/SPRING 2020

Temple Ambler EarthFest Presents

Explore citizen science year-round! As EarthFest turns 18 in 2020, it will be adapting — just like nature — to best serve students, teachers and families. Our mission is to provide meaningful, impactful educational experiences for all ages throughout the year. Instead of one day and one event, we invite you to celebrate the Earth at several smaller, student and family-centered events!

EarthFest Presents events are designed to provide more personalized opportunities to interact with our exhibitors and students to get hands-on with citizen science. Join us to stargaze in April, celebrate Earth Day in May, campout on campus in July and explore all life in our woods in October!

Read Across America: *The Lorax*

Held in partnership with the Ambler Arboretum of Temple University
Monday, March 2, 11 a.m. to 12 p.m.

Reach for the Stars

Friday, April 3, 7:30 p.m.
