

June 2025 Collins Nursery of the Ambler Arboretum Inventory

Full – Partial Sun

***Plants that thrive in at least 6 hours of direct sunlight daily.

- *Amorpha fruticosa* – False Indigo Bush
- *Amsonia hubrichtii* – Hubbard’s Bluestar
- *Amsonia tabernaemontana* – Eastern Bluestar
- *Andropogon gerardii* – Big Bluestem
- *Aquilegia canadensis* – Eastern Red Columbine
- *Asclepias incarnata* – Swamp Milkweed
- *Asclepias incarnata* ssp. *pulchra* – Eastern Swamp Milkweed
- *Asclepias purpurascens* – Purple Milkweed
- *Asclepias tuberosa* – Butterfly Weed
- *Asclepias verticillata* – Whorled Milkweed
- *Asclepias viridiflora* – Green Milkweed
- *Baptisia australis* – Blue Wild Indigo
- *Betula lenta* – Sweet Birch
- *Callicarpa americana* – American Beautyberry
- *Carex annectens* – Yellow-fruited Sedge
- *Carex bushii* – Bush’s Sedge
- *Carex conoidea* – Openfield Sedge
- *Carex straminea* – Straw Sedge
- *Cephalanthus occidentalis* – Buttonbush
- *Chasmanthium latifolium* – Indian Wood Oats
- *Cirsium muticum* – Swamp Thistle
- *Coreopsis lanceolata* – Lanceleaf Coreopsis
- *Coreopsis tripteris* – Tall Tickseed
- *Corydalis sempervirens* – Pink Corydalis
- *Cuphea viscosissima* – Blue Waxweed
- *Deschampsia flexuosa* – Crinkled Hairgrass
- *Dichanthelium clandestinum* – Deer-tongue Grass

- *Dichanthelium scoparium* – Velvet Panicgrass
- *Echinacea pallida* – Pale Purple Coneflower
- *Echinacea purpurea* – Purple Coneflower
- *Echinacea tennesseensis* – Tennessee Coneflower
- *Elymus canadensis* – Canada Wild Rye
- *Elymus hystrix* – Bottlebrush Grass
- *Eriophorum virginicum* – Tawny Cottongrass
- *Eryngium aquaticum* – Marsh Rattlesnake Master
- *Eryngium yuccifolium* – Rattlesnake Master
- *Eupatorium pubescens* – Downy Thoroughwort
- *Eutrochium fistulosum* – Hollow Joe-Pye Weed
- *Helenium autumnale* – Common Sneezeweed
- *Helianthus angustifolius* – Swamp Sunflower
- *Heliopsis helianthoides* – False Sunflower
- *Heuchera richardsonii* – Prairie Alumroot
- *Hibiscus moscheutos* – Swamp Rose Mallow
- *Juncus effusus* – Common Rush
- *Juncus tenuis* – Path Rush
- *Liatris ligulistylis* – Rocky Mountain Blazing Star
- *Liatris pilosa* – Shaggy Blazing Star
- *Liatris spicata* – Dense Blazing Star
- *Lilium canadense* – Canada Lily
- *Lobelia cardinalis* – Cardinal Flower
- *Lobelia puberula* – Downy Lobelia
- *Mikania scandens* – Climbing Hempvine
- *Monarda bradburiana* – Eastern Beebalm
- *Monarda didyma* – Bee Balm
- *Monarda fistulosa* – Wild Bergamot
- *Monarda punctata* – Spotted Beebalm
- *Packera aurea* – Golden Ragwort
- *Packera paupercula* – Balsam Ragwort
- *Panicum virgatum* – Switchgrass
- *Pedicularis canadensis* – Wood Betony
- *Penstemon calycosus* – Long Sepal Beardtongue
- *Penstemon digitalis* – Foxglove Beardtongue
- *Penstemon smallii* – Small's Beardtongue

- *Pycnanthemum incanum* – Hoary Mountain Mint
- *Pycnanthemum muticum* – Short-toothed Mountain Mint
- *Pycnanthemum virginianum* – Virginia Mountain Mint
- *Ratibina pinnata* – Gray Headed Coneflower
- *Rudbeckia fulgida* var. *deamii* – Deam's Coneflower
- *Rudbeckia hirta* – Black-Eyed Susan
- *Rudbeckia laciniata* – Cutleaf Coneflower
- *Rudbeckia triloba* – Brown-eyed Susan
- *Salix exigua* – Sandbar Willow
- *Salix humilis* var. *tristis* – Low Prairie Willow
- *Salix nigra* – Black Willow
- *Salix sericea* – Silky Willow
- *Salvia azurea* – Azure Blue Sage
- *Sambucus canadensis* – American Elderberry
- *Sanguisorba canadensis* – Canadian Burnet
- *Schizachyrium scoparium* – Little Bluestem
- *Silene caroliniana* – Wild Pink
- *Silene stellata* – Starry Champion
- *Silphium perfoliatum* – Cup Plant
- *Silphium terebinthinaceum* var. *luciae-brauniae* – Basal-leaved Prairie Dock
- *Sorghastrum nutans* – Indiangrass
- *Spiraea latifolia* – Meadowsweet
- *Spiraea tomentosa* – Steeplebush
- *Spiranthes cernua* – Nodding Ladies' Tresses
- *Strophostyles helvola* – Trailing Fuzzybean
- *Symphyotrichum ericoides* – Heath Aster
- *Symphyotrichum novae-angliae* – New England Aster
- *Trichostema dichotomum* – Bluecurls
- *Vernonia noveboracensis* – New York Ironweed
- *Veronicastrum virginicum* – Culver's Root
- *Solidago bicolor* – Silverrod
- *Solidago virgata* – Wand Goldenrod
- *Euthamia caroliniana* – Slender Fragrant Goldenrod

Partial Sun/Shade

***Plants that prefer a mix of sun and shade, typically 3–6 hours of direct sunlight.

- *Amsonia hubrichtii* – Hubbard's Bluestar
- *Amsonia tabernaemontana* – Eastern Bluestar
- *Aquilegia canadensis* – Eastern Red Columbine
- *Betula alleghaniensis* – Yellow Birch
- *Betula lenta* – Sweet Birch
- *Betula populifolia* – Gray Birch
- *Carex comosa* – Longhair Sedge
- *Carex grayi* – Gray's Sedge
- *Carex lurida* – Sallow Sedge
- *Carex pensylvanica* – Pennsylvania Sedge
- *Carex platyphylla* – Broad Leaf Sedge
- *Carex sprengelii* – Long Beaked Sedge
- *Carex torta* – Twisted Sedge
- *Chasmanthium laxum* – Slender Wood Oats
- *Chelone glabra* – White Turtlehead
- *Cornus florida* – Flowering Dogwood
- *Cornus sericea* – Red Osier Dogwood
- *Corydalis sempervirens* – Pink Corydalis
- *Corylus americana* – American Hazelnut
- *Diospyros virginiana* – American Persimmon
- *Heuchera americana* – American Alumroot
- *Hydrangea quercifolia* – Oakleaf Hydrangea
- *Ilex verticillata* – Winterberry
- *Iris versicolor* – Blue Flag Iris
- *Nyssa sylvatica* – Black Gum
- *Pedicularis canadensis* – Wood Betony
- *Phlox divaricata* – Wild Blue Phlox
- *Prunus americana* – American Plum
- *Rubus odoratus* – Purple-flowering Raspberry
- *Salix exigua* – Sandbar Willow
- *Salix humilis* var. *tristis* – Low Prairie Willow
- *Salix nigra* – Black Willow

- *Salix sericea* – Silky Willow
- *Sambucus canadensis* – American Elderberry
- *Thalictrum dioicum* – Early Meadow Rue
- *Clinopodium georgianum* – Georgia Calamint

New Plants for June

- *Agalinis purpurea* – Purple False Foxglove
- *Solidago bicolor* – Silverrod
- *Solidago virgata* – Wand Goldenrod
- *Coreopsis tripteris* – Tall Tickseed
- *Eupatorium pubescens* – Downy Thoroughwort
- *Monarda punctata* – Spotted Beebalm
- *Asclepias viridiflora* – Green Milkweed
- *Asclepias purpurascens* – Purple Milkweed
- *Dichanthelium clandestinum* – Deer-tongue Grass
- *Geum laciniatum* – Rough Aven
- *Liatris pilosa* – Shaggy Blazing Star
- *Thalictrum dioicum* – Early Meadow Rue
- *Silene stellata* – Starry Campion
- *Clinopodium georgianum* – Georgia Calamint
- *Euthamia caroliniana* – Slender Fragrant Goldenrod
